SHE'S NUTS!"**

**A One-Woman Comedy
Show! Tales of dating,
drinking and clowns... Told
by Freddie's trusty puppets
and
glamorous alter ego,
"Doctor Love".**

SYNOPSIS

"The Freddie Show!"

is a collection of brief encounters between a young, northern puppeteer called Freddie and her terrible tinder dates. These autobiographical tales are depicted through Freddie's trusty puppets and comedy persona.

Her glamorous alter-ego Doctor Love, tells anecdotes of intimate meetings and mishaps of Freddie's not-so-lucky in love, love life.

ABOUT FREDDIE

Freddie studied Puppetry at the Royal Central School of Speech and Drama .

“The Freddie Show!” came from autobiographical research where Freddie was documenting anecdotes of her love life . She depicted characters she met along the way through eccentric looking puppets. These include Dave the Clown and Dev the Devil.

She is an artist, puppeteer as well as a scriptwriter and filmmaker.

She has performed in various venues & festivals including :

The Barrel Project

Little Angel Theatre

Skipton Puppet Festival

Bread and Puppet Theatre

Stag’s Head Hoxton

Bankside Studios
